

Leadership Opportunity CFS Saskatoon Board of Directors

CFS Saskatoon is recruiting dedicated and passionate individuals to provide leadership as Volunteer Members of the Board of Directors. This is an opportunity to work with experienced professionals and share skills and knowledge while guiding an organization that is making a difference in the community.

The Board of Directors is recruiting applicants who possess skills and expertise in a variety of areas including accounting, legal, education, communications, marketing and other areas as well. We strongly encourage applicants from diverse groups including, but not limited to, Indigenous applicants, members of racialized groups, persons with disabilities and/or members of sexual minority groups to apply. Directors must be at least eighteen years of age, able to complete a Criminal Reference Check and reside in Saskatoon and Area.

Directors guide the organization strategically and provide formal oversight on behalf of funders, donors and the broader community. Directors are accountable for the monitoring and oversight of the organization's performance goals, ensuring financial accountability and providing feedback and guidance to the Executive Director.
